

St. Paul Early Learning Center

Photo/Video Information and Release Form

Child's Name: _____

St. Paul Early Learning Center does NOT post photos/videos of children on social media. Parent volunteers are NOT permitted to take photos/video of children other than their own. Teachers will take photos of children during the school day. These photos will be placed on the Remind app. The Remind app is a communication tool which will keep you informed of classroom activities. You will be given the class specific code at the beginning of the year which will allow you to sign up. No personal information will be visible. Photos will only be shared with families in your child's class. Photos may also be used to create a class slideshow which may be shown at end of the year family programs.

Yes, I give permission to St. Paul Early Learning Center to take photos/video of my child according to the terms listed above.
